ABOUT ME

Cyber Security bachelor's graduate and Certified Ethical Hacker with the ambition of becoming an Security Operations Center (SOC) Analyst.

Responsible and hardworking,I'm able to handle working under pressure as well as communicate and collaborate seamlessly in a teamwork environment.I have worked with BurpSuite,Nmap,Metasploit and other tools seamlessly.My passion for security stems from my curious and persistent nature,constantly leaning through security podcasts and security youtube channels.Also would like to learn and share my knowledge through LinkedIn CTF write-ups and new SOC related terms.
